

Dear customers!

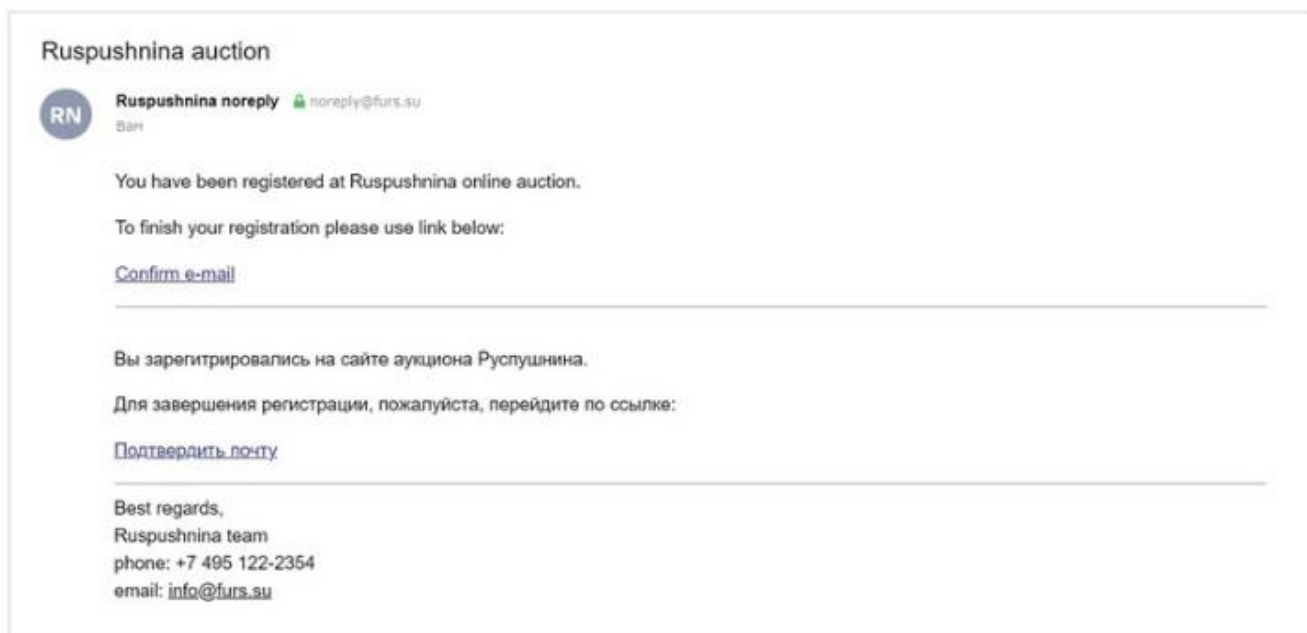

There is a short instruction about catalogue for the auction participants, which we made for your comfort.

We recommend you to use [Google Chrome](#), [Opera](#), [Mozilla Firefox](#) or [Microsoft Edge](#).

Registration

First of all, you need to get registered on our site. Please find [register button](#) on the main page.

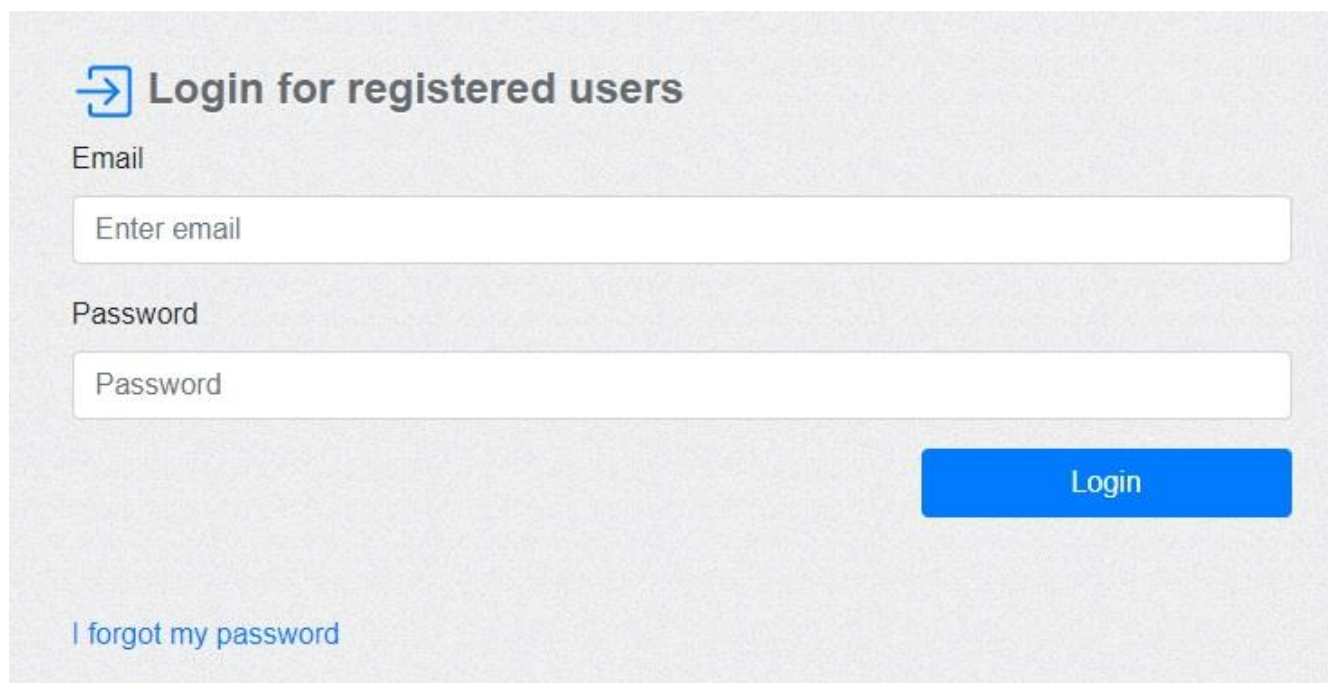

After the registration you get an e-mail with a link. Use it to confirm your e-mail.

E-mail confirmation

Entrance

Then enter your personal account, using your login (e-mail) and password.

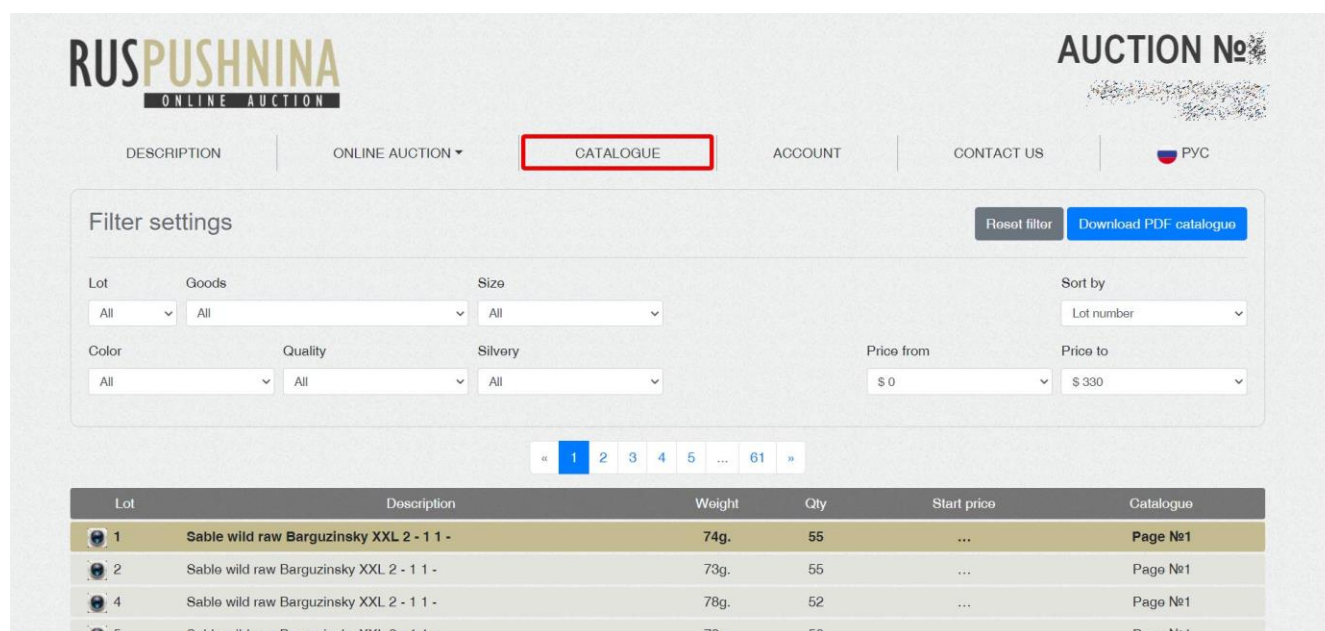

The image shows a login form for registered users. At the top left, there is a blue icon of a right-pointing arrow inside a square, followed by the text "Login for registered users". Below this, there are two input fields: "Email" with the placeholder text "Enter email" and "Password" with the placeholder text "Password". To the right of the password field is a blue button labeled "Login". At the bottom left, there is a blue link that says "I forgot my password".

Entrance form

Inspection

You may examine the collection on the "[Catalogue](#)" pages.

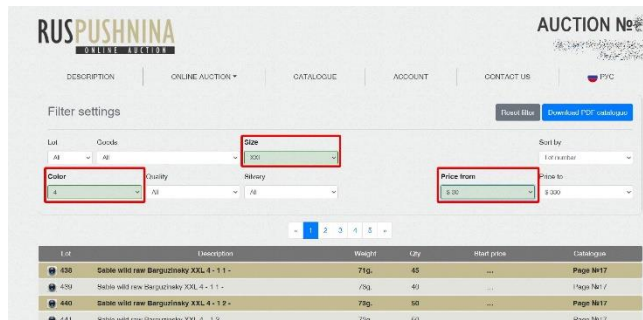

The image shows the "Online catalogue" page for RUSPUSHNINA ONLINE AUCTION. The page has a navigation bar with "DESCRIPTION", "ONLINE AUCTION", "CATALOGUE" (highlighted with a red box), "ACCOUNT", "CONTACT US", and "PYC". Below the navigation bar is a "Filter settings" section with various dropdown menus for "Lot", "Goods", "Size", "Color", "Quality", "Silvery", "Price from", and "Price to". There are also buttons for "Reset filter" and "Download PDF catalogue". Below the filters is a pagination bar showing "1" as the current page, with other pages "2", "3", "4", "5", and "61". Below the pagination bar is a table with columns: "Lot", "Description", "Weight", "Qty", "Start price", and "Catalogue".

The filtering settings are very responsive. This means when you change the settings the lots get immediately displayed on the screen in accordance to the specified filtering parameters. The selected filters are highlighted green for your convenience. This way you can easily control the number of parameters which are applied currently.

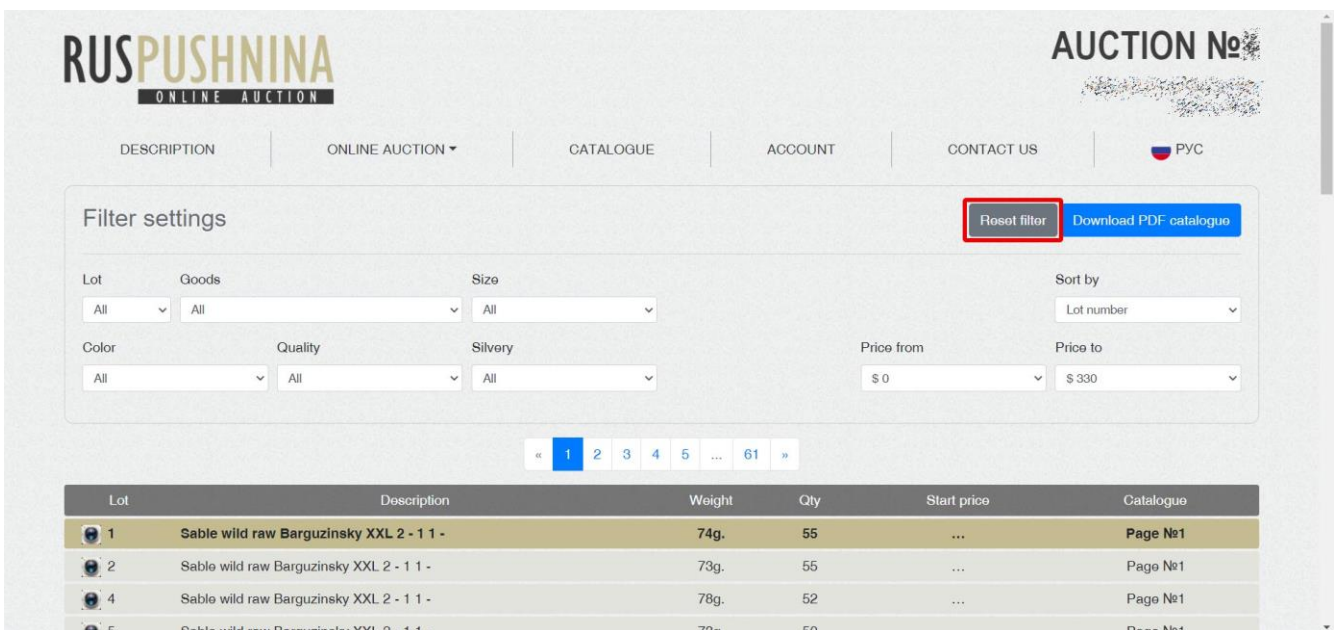

Apply the filtration

A «Download the catalogue» button

You can either select "All" in every filter field or click the corresponding button to reset all applied parameters.

Reset the filtration

30 lots are displayed on one page at once in the catalogue. You can easily navigate among filtered lots by navigating the pages at the top and the bottom.
